

**School of Physical Sciences
Jawaharlal Nehru University
and
The Indian Physics Association
(Delhi Chapter)
presents
The DAE - C.V. Raman Lecture
by
Padma Shri Awardee
Prof. K.L. Chopra
titled**

Atom-by-Atom Creation of Nanomatter

Day / Date:
Tuesday, March 20
Time : 4:15 pm
Venue : Lecture
Hall II, Convention
Centre, JNU

".... creation of nanomatter involves several basic processes, which includes generation of atomic species as the building blocks, transport of the species through an appropriate medium and interaction with each other on a suitable substrate"
